Dear Fabien and fellow Members,

Once again, we thank you so much for your generous donation of the fundraising proceeds for the women and children served by Willow Place. The fundraising social and activities during the national convention weekend were a tremendous success!

As you know, many women and children in our community go without basic necessities due to a variety of factors, which include poverty and domestic violence. While all of us are susceptible to hard times, women and children are at the most risk, and they are the clients we serve.

With the generous support of people like you, we are able to provide the opportunity to access these items to the families and individuals we serve, while we assist them with working towards a brighter future with services such as education, counseling, and temporary housing. As requested we have sent a tax receipt for the total amount raised of \$8981.00 to Mario Nascimento as he was the winner of the draw.

We are very thankful for your continued support.

Sincerely,

{Marcie Wood
